Continuation of Substance of Interview including description of the general nature of what was discussed: The Applicant's representative and the Examiner discussed several issues regarding the claims and application. First we discussed the potential 101 rejection of claim 2 with regards to the claim not being "tied-to" another statutory category. The applicants agreed to an Examiner's amendment to the claim to overcome the issues. Next we discussed the minor grammatical issues with claims 2 and 19 to which the Applicants agreed to an Examiner's amendment resolving the issue. Third applicants agreed to cancel claims 3, 4, 13-18, 20, 21 and 24-27 as they are drawn to the non-elected species II and III. Finally the applicants agreed to provide a copy of the missing foreign documents disclosed on the IDS filed on 9/28/04. As a result, the application is now in condition for allowance. .
